

8X FASTER END-OF-YEAR REPORTING

“ I have been using ACTIVE Network software for over 5 years and their staff has always been there to help me improve my camp management processes. ”

Norma Holliday, Camp Administrator

The University of Georgia offers both overnight and day camps to provide young girls an opportunity to advance their softball skills by working with Bulldog coaching staff and Georgia softball players.

CHALLENGES

- + End of camp compliance reports
- + Collecting balances

SOLUTION

- + Implement ACTIVE Network camp management software
- + Create custom reports to gain better visibility of all aspects of camp operations
- + Take advantage of mass billing

RESULT

- + End-of-year reporting was 8 times faster!
- + All balances paid 2 weeks prior to camp rather than collecting the day of camp.
